

Milwaukee Waters Investigation

TRASH CLEANUP DATA CARD

Please print as neatly as you can.

SCHOOL _____ Date: _____

Number of students working on this card _____ Estimated weight of bag (lbs.) _____

SAFETY TIPS – We want you to be safe!!!

1. **DO NOT GO IN ANY WATER.**
2. Do not pick up sharp objects, glass or syringes - tell teacher.
3. Leave dead animals alone.
4. Don't lift anything too heavy.

Record every item you pick up in the correct area. Make hash marks (IIII) for each item you find, adding a diagonal line after the 4th mark so each bundle represents 5 items.

When done, record the totals for all items in the box. Example: caps/lids IIII III Total: 8
